

Beavers and Cubs Easter Eggs

At their last meeting before their Easter break, the Beavers and Cubs had an Easter party and Egg decorating competition. The ideas were very varied and the eggs all decorated with great skill. Well done everyone! Three "Big Cubs" also had fun with the eggs - but I think hiding the egg inside plasticine was not quite the idea!!

**Scouts Easter Camp
Kettlecess 17th - 19th April 1998**

This was a joint camp with 1st Normanby Guides. We met at 17:30 on Friday the 17th at Nunthorpe Station where weather was atrocious. The Scouts and Guides boarded the train (in separate carriages!) with Mick P. and Iestyn D. Each patrol was given an envelope containing details of where to get off the train and what to do next together with a map. We were lucky to leave the rain in Middlesbrough and walkers and drivers almost all arrived dry.

Saturday started with a run round Kettlecess which was followed by a morning canoe training on dry land at Kettlecess ready for an afternoon in the river at Ruswarp.

Sundays activities started with relay games before breakfast which was followed by numerous games of rounders and the canoe 1 star theory test.

Many picture of the weekends activities can be found on our web pages (<http://www-cira.tees.ac.uk/scouts/wilton/scouts/activity/camp0498/>).
