

Cub Camp 5th - 7th June 1998

Report by Lewis Meadows (Scout)

Friday 17:30

At 5:30pm we all met at Nunthorpe train station, the strain came for us and we set off. When we got off the train at Kildale it was about 6:00pm. It was about a mile and a half to our destination (26th Middlebrough's Cragbank Wood camp site). When we got there all the tents had been put up before we arrived. On the night we had a big game of hide and seek - we call it a wide game.

Saturday

On Saturday morning we got up at 7:30am then after the morning run we had a wash and had our breakfast. After breakfast we made whistles, catapults and tent pegs. After the activities we had our diner and some free time before the sporting activities. We split into three groups for the sports and competed as groups for the highest score. Then we had some free time or helped light the camp fire to cook our teas on. After tea we had another wide game and then went indoors where we had a game of Matthew, Mark, Luke and John. We went to bed at 10:00pm.

Sunday

On Sunday morning we got up and had a little jog before breakfast. After breakfast we did some tree surveys, animal tracks and insect collecting. After that we had diner and a couple of hours free time before we had to get our bags out of the tents and take the tents down. At this time it was raining, when we got the tents down it was time to have a drink and leave for Kildale station. We passed through Great Ayton and Battersby stations. Then we came to Nunthorpe Station where we got our certificates and our catapults back and then we went home.

Cubs Football Team

Michael Fairbairn

Progress with the Cubs Football Team this month has been very good in training, yet disappointing in the matches.

We have played four matches in total, winning one and losing three, scoring 6 goals and conceding 28. Credit is due to the team for they have not lost heart during the performances on the pitch.

We have gained three "man of the match" awards. In the Nunthorpe 3-0 win, Gareth Gallagher was man of the match with his two goals. In the Marton defeat, Thomas O'Connor was "man of the match" with his superb tackling and in our most recent defeat against Teesside Athletic, our new goalkeeper Joe, was "man of the match" with a range of outstanding saves, without Witch their score would have been a lot higher.

Performances in the recent training session have been encouraging and I hope to see the good performances particularly from Chris Jones and Tommy Power been carried into the next match.

Rain

Big Beaver

(with the Cub camp in mind...)

It rained and it rained and rained and rained
The average fall was well maintained
And when the tracks were simply bogs
It started raining cats and dogs.

After a drought of half an hour
We had a most refreshing shower
And then the most curious thing of all
A gentle rain began to fall.

Next day was also fairly dry
Save for the deluge from the sky
Which wetted the party to the skin
An after that the rain set in.
