Cub Trip to Eureka

Report by David Castle

This was a district event, with three coaches of Cubs. The bus was quite late and the driver did not know a route. We got there eventually and had lunch before going in to Eureka. It was good and exciting with lots to do and many activities to take part in.

Family Walk, Sunday 12th July

We will start from the grassy area outside the Friends School in Great Ayton at 10:00 and return at about 15:00. The walk is about 11KM (7 miles) and will take in a lunch break (bring your own packed lunch). Cubs and Scouts may attend without their parents but brothers, sisters (non group members), must be accompanied by an adult.

Erratum

The 9805 issue of The Wilton Review contained a number of typos, mainly spelling errors but one of the dates the Scout Troop will not meet in August were also printed incorrectly. It should have read "The Scout Troop will not meet on the 5th and 12th August".

Following the large number of errors, Big Beaver supplied the following....

Eye have a spelling chequer
It came with my pea see
It plainly marques for my revue
Miss steaks eye can knot sea.

When eye strike a quay, or right a word
I weight four it too say
Weather eye am wrong oar write
It shews my straight a way.

As soon as a mist ache is maid
It nose bee fore two late
And I can put the error rite
Its rarely, rarely grate!

I've run this poem threw it
I'm shore your pleased too no
Its letter perfect in it's weigh
My chequer tolled me sew.

WWW Day

Two adult members of the group spent a Saturday at the University of Teesside with other scout leaders, helpers and Ventures from 2nd Normanby, 1st Nunthorpe, 40th Marton, 9th Redcar and 7th Guisborough learning how to write their own World Wide Web pages using HTML (HyperText Markup Language). A 3rd member of 1st Wilton is DIYing with the notes at home! It was a profitable day with everyone able to try out their new skills and chat to the people from the other groups. 1st Nunthorpe now have a suite of web pages and hopefully before this years Jamboree on the Internet the other groups will have their own web pages.
