

Family Walk, Sunday 12th July

The walk started from the grassy area outside the former Friends School in Great Ayton at 10:00 and returned mid afternoon. The walk of about 11KM (7 miles) covered a variety of terrain ranging from open fields to wooded paths and the climb up Roseberry Topping. Although the weather was damp everyone had an enjoyable time and we were back in Great Ayton and all tucking in to Suggett's Ice Creams before the heavy rain started.

Scout Troop Expedition

The scouts troop were joined by the De Krüff family from Vlaardgen for the expedition along the length of the River Tees. The expedition was very successful with most participants completing the whole length.

The first base camp was at Holwick with a some people sleeping in the barn and others in tents, we then moved on to 1st Barnard Castle's Scout Hut, Gainford Scout Hut, Low Worsall Village Hall and finally completed the week with two nights on The HM Bark Endeavour in Stockton.

The route started at Garrigill and followed the river down through Cow Green, Middleton-in-Teesdale, Barnard Castle, Gainford, Low Worsall, Eaglescliffe, Stockton et al to finish at South Gare.

There was a mixture of walking, cycling and Canoeing and the last day took in a visit to the Cellnet Stadium and the ended with a celebration party onboard the Endeavour.

Thanks must go to Martin and Lilly for the Group Bike Pump and the Patrol Repair Kits they donated to the group and to Woody for his ongoing work on the "The Book".

This is a very brief report, as it is to be followed by "The Book" giving full details of the whole event.

JOTI '98

The Jamboree on the Air (JOTA) and The Jamboree on the Internet (JOTI) both start on Saturday 17th October at 00:01 and finish on Sunday 18th at 23:59 local time. This means working to UK time, some countries such as New Zealand will be starting at 14:01 on Friday whilst others such as Alaska will not be starting until 10:01 on Saturday. We can join in this fun between 07:00 and 21:30 on both days at the University of Teesside, School of Computing and Mathematics on Southfield Road, Middlesbrough.

These two jamborees are both world wide events where scouts of all ages all over the world have a can "chat" to each other and exchange information electronically. This type of information exchange can be done at any time, however the Jamboree Weekend provides a once-a-year opportunity for everyone everywhere to get together at the same time.

Group Kit

Have you borrowed any of the group's equipment (climbing gear, canoeing kit, camping apparatus etc.)?

If you have any of the groups equipment please return it as soon as possible.

Does anyone know the whereabouts of the large gas burner?

Attention all Cubs

You will have been to camp at Kettleless before the next edition of the The Wilton Review. Why don't you write something about the camp for the next edition?

Scouts - how about a paragraph about what you enjoyed about the summer expedition?
